### A message from The President's Desk

Dear Stakeholders,

As we reflect on the past year, the Board of Directors at Chaitanya Rural Development Society has played a critical role in guiding the organization through challenging times and shaping its strategic direction. We have made significant decisions to adapt to the changing landscape, ensuring that our mission of empowering rural communities remains at the forefront of everything we do.

We are immensely grateful to our supporters and stakeholders who have stood by us through thick and thin, enabling us to continue our important work. Your unwavering commitment has been a source of strength for us, and we look forward to continuing this journey together.

As we look towards the future, we remain dedicated to upholding our core values and making a meaningful difference in the lives of those we serve. With your continued support, we are confident that we can overcome any challenges that come our way and achieve even greater success in the years to come.

Thank you for your trust and support.

Sincerely,

**Warm regards**

## A message from The Secretary / CEO

Dear reader,

It has been a year of good progress for Chaitanya as we continue to create impact.

The financial year 2024-25 marked 28 years of Chaitanya's impactful work in rural India. Over the past two and half decades, the organization has developed various models for sustainable rural development, collaborating with marginalized communities across rural India. This journey has been made possible through partnerships with government agencies, philanthropies, corporate social responsibility (CSR) initiatives, civil society organizations (CSOs), academia, and other stakeholders. Reflecting on our journey allows us to realign with our purpose and address developmental issues at both local and national levels, preparing us for the future.

In financial year 2024-25, we worked to support the communities we work in by focusing on, skilling and livelihood development, sustainability, and farmer's empowerment.

From overseeing the successful implementation of the Amrit FPO's input & output activities to providing valuable insights into the REWARD project. Our board members have been instrumental in driving positive change. The launch of the Jal Jeevan Mission II term has been a key milestone, and we are proud of the impact it has had on the communities we serve.

We would like to thank our donors, partners, and stakeholders for their support and collaboration. We also appreciate the hard work and dedication of our staff and volunteers.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Bhadris B. T.'

## Programmes at Glance

### 1. NABARD FPO Promotion Grants

NABARD has taken an initiative for supporting producer organizations (POs), adopting a flexible approach to meet the needs of producers.

Chaitanya is associated with NABARD since 2015 in promoting institution, conducted capacity building programmes for CEO and Board Members / Management of the PO.

This year we conducted workshops on capacity building for CEOs and

board members and closely working with FPOs for market interventions and other support facilities necessary for financial sustainability of the PO and membership drives. Facilitating credit and market linkages and provide handholding support for attaining financial sustainability during the period. During the FY 2024-25, the overall turnover is about 5.5 Crores with profit of Rs. 10 lakhs consisting 8 FPOs

### 2. Hunsheghatta Non watershed programme

During the current year, non-watershed development activities were initiated in Mavalli Gram Panchayat, covering 70 beneficiaries in rainfed agricultural area. The focus of the programme is on strengthening climate resilience, improving agricultural productivity, and enhancing livelihood opportunities.

Core Interventions- w.r.t- Natural Resource Management are Soil and water conservation measures, Demonstration of climate-resilient and climate-smart

agricultural practices, Promotion of organic farming, Adoption of vermi composting units and under Livelihood & Agriculture Promotion Vegetable cultivation,

Apiculture (beekeeping) promotion, Trainings on sheep and goat rearing, Soil testing and awareness programmes and Kitchen garden promotion and poultry-related training. The non-watershed development interventions undertaken in Mavalli Gram Panchayat support sustainable agriculture, strengthen rural livelihoods, and build community resilience in rainfed areas. The programme has created strong foundations for continued adoption of climate-smart practices and improved livelihood security among the 70 beneficiary households.

### 3. Amrit FPOs

A total of 29 FPOs have advanced to the next phase of operations, engaging in both input procurement and output marketing. These FPOs collectively represent a membership base of 18,500 farmers. During the reporting period, the group of 28 FPOs achieved a total turnover of ₹ 6.50 Crores, with a Profit of ₹15.50 Lakhs. Most of the training emphasised market & credit linkages, capacity

building for CEOs and board members on compliance and governance.

### 4. JJM Programme

Phase II of Jal Jeevan Mission was concluded this year and as a implementation Support Resource Agencies (ISRA) - providing Information, Education and Communication to the public. In addition to this, IEC activities are taken up for the effective implementation of the mission through various programs like home visit

s ,

awareness, indoor discussion, meetings, slogan, shramadana, jatha programs, lectures by village heads and religious leaders, etc. Educate communities on water-related topics like water quality, water conservation, and water-borne diseases.

## 5. REWARD Programme

Our role was in implementing, facilitative, and capacity-building role in the REWARD watershed programme. Their involvement strengthens community mobilisation, technical adoption, and last-mile delivery of science-based watershed interventions. REWARD promotes land resource inventory, GIS mapping,

hydrological monitoring. Assisting in household surveys, resource mapping, and PRA exercises. We as field facilitators, capacity builders, community mobilisers and livelihood enablers. They bridge the gap between technical agencies, government departments, and local communities to ensure that watershed interventions are science-based, inclusive, and sustainable.

## 6. MGIRED Programme

Mahatma Gandhi Institute for Rural Energy and Development (MGIRED) are providing training over 3/5 days for the Gram Panchayat Level Federation of SHGs in understanding the processes involved in Solid waste management, categories of segregation, management of wet and dry waste, domestic hazardous waste, etc. It is serving the dual purpose of women empowerment and sustainability.

In the absence of SWM practice, waste generally would be burnt in the villages, emitting poisonous gasses, or ending up in open spaces, drains, waterways etc. Now the waste is being properly collected and segregated, and revenue is earned from the sale of recyclables and service fee collected from residents and commercial units.

## 7. Gram Swaraj Abhiyan

At Harpanahalli block of Vijayanagara District in Karnataka district. Mates are village-level worksite supervisors under MGNREGA (Mahatma Gandhi National Rural Employment Guarantee Act). During Gram Swaraj Abhiyan, special emphasis was placed on training 297 Mates covering 37 Gram Panchayats consisting 110 Villages to improve the quality of works, transparency, and field-level management. Key objective - Enhance governance capabilities of PRIs-

Promote inclusive local governance- Support economic growth and development- Improve service delivery and transparency. Emphasized to supervise works independently, maintain accurate records, ensure better quality assets, and prevent corruption/malpractices, Support Gram Panchayats in planning & execution.

## 8. Sahayog - Employees Welfare Fund Programme

Dhwani Foundation Bengaluru and Caring Friends, a private donor from Mumbai, continued their support to the grassroots NGOs to provide interest-free, short-term loans to their long-serving staff through a Sahayog Fund. The initiative benefited 10 employees, helping them meet urgent needs such as children's education and family health insurance

## 9. Consortium Updates

Last year we had initiated the process of bringing the entire Shivamogga district FPOs under one roof called' A Consortium of FPOs'. All 40 FPOs board members frequently meet at various avenues and came to a wrapping up in finalizing the board members along with expert directors and finally our efforts paid off as we could register the Shivamogga district FPOs consortium as SAHODAYA CONSORTIUM OF FARMERS PRODUCER COMPANY LIMITED. This idea was much appreciated by Shri Shivraj Singh Chouhan Ji, Hon'ble Union Minister for Agriculture & Rural Development in his visit to Anvesana's Malnad Startup Summit 2025 held at Shivamogga in Jan 2025.

## 10. Dry Waste Management :

The project has mainly 2 machinery - Plastic shredder and Glass shredder at Ripponpete Gram Panchayath Hosnagara Block, Shivamogga District. Utilising the Plastic shredder and Glass shredder to the capacity per day will provide additional revenue to the GP. Shredded plastic can be sold or reused, creating potential revenue streams, and the sand produced out of the Glass shredder is a valuable secondary material used as aggregate for construction purposes.
